

# initialize *to heal!*

a crossover fancomic with  
Corrector Yui and Magic  
Knight Rayearth

Story and Art  
by NAAN

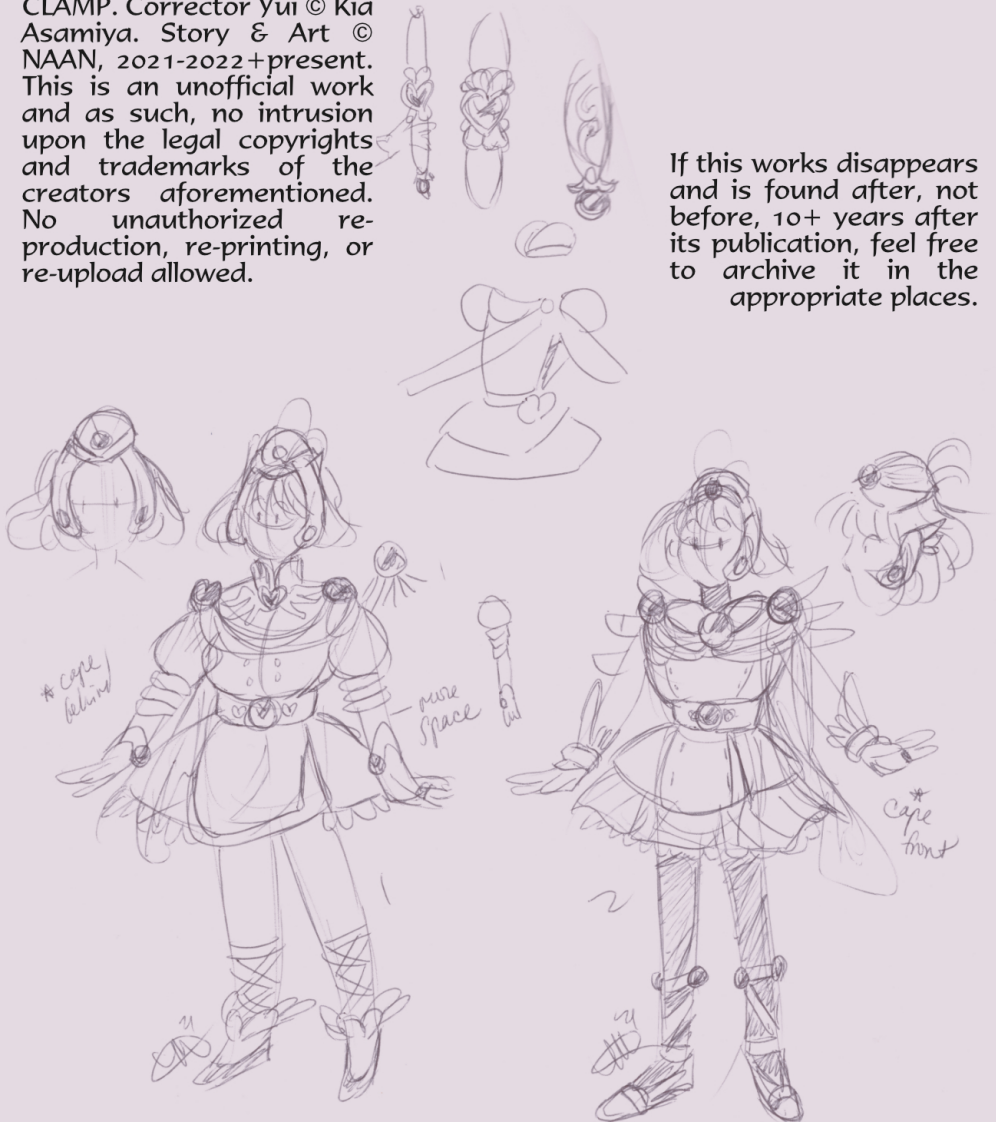

This comic was originally done for a charity zine called "HEAL UP! A Health & Healing Magical Girl Charity Fanbook." The point was to make a thing with characters representing healing factors due to the theme of the zine/charity, so I opted to do a crossover fancomic with Fuu from MAGIC KNIGHT RAYEARTH and Yui from CORRECTOR YUI.

And maybe one more magical girl mention...

LOOK LIKE

I.R., LET'S TRY  
THAT NEW  
PROGRAM  
WE FOUND  
EARLIER!

IT'S OKAY!  
I GOT A  
GOOD  
FEELING  
ABOUT IT!

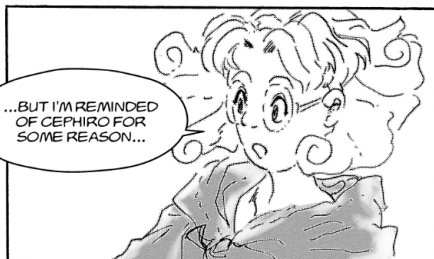

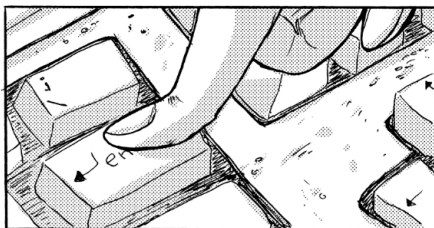

**Prism  
Install!**

**NURSE  
ELEMENTAL  
SUIT!**

"TYPE IN THE FOLLOWING  
AND THEN PRESS 'ENTER'..."

LADY YUI!  
WE HAVE TO DO  
SOMETHING!

**I KNOW!**  
THIS THING'S  
TOO POWERFUL!

BUT THERE'S A SADNESS  
COMING FROM IT TOO...?

**Healing  
Wind!**

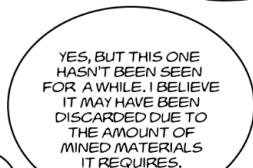

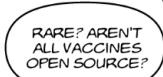

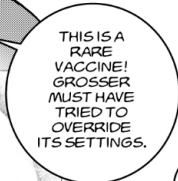

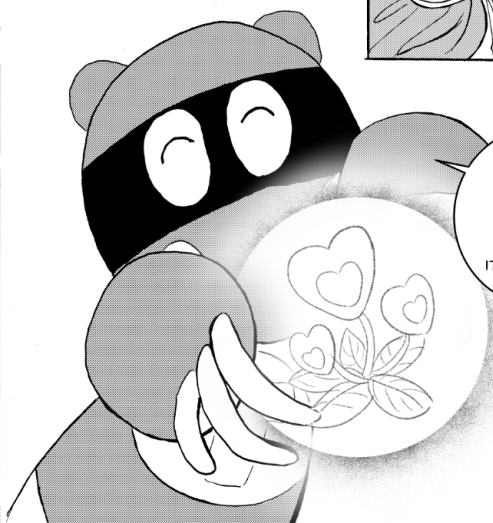

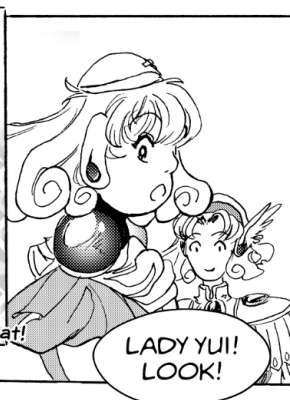

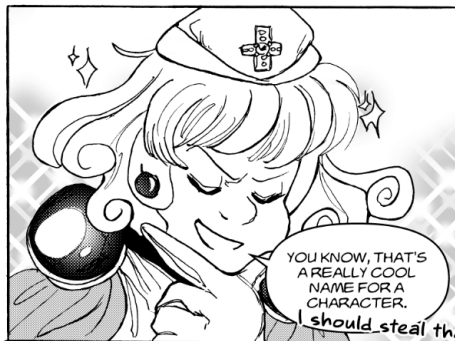

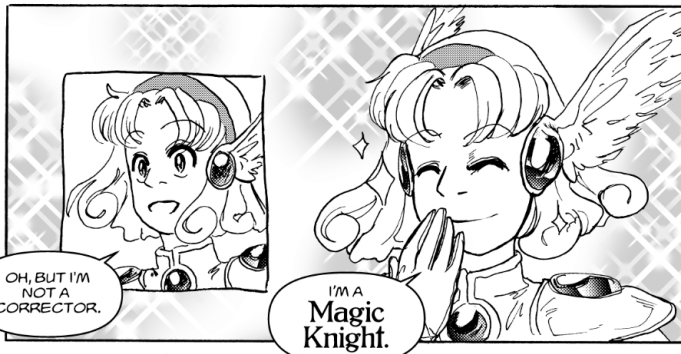

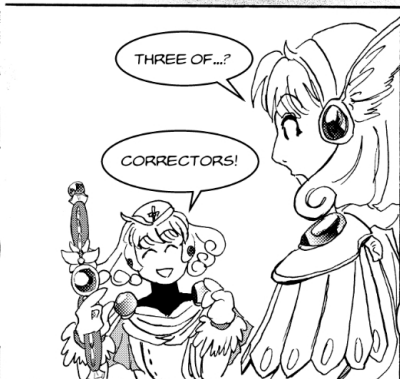

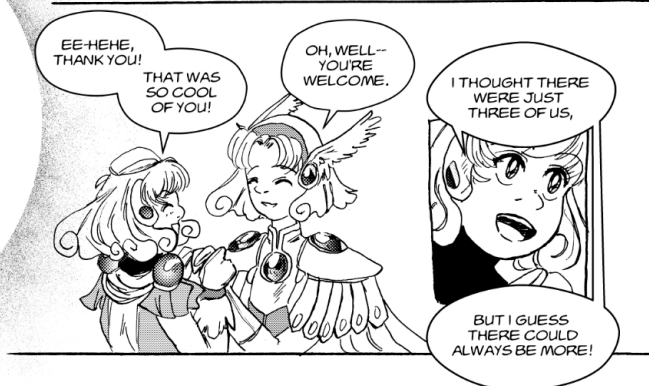

HEEEEEAL THYSELF!

LADY YUI!  
AN OPENING!

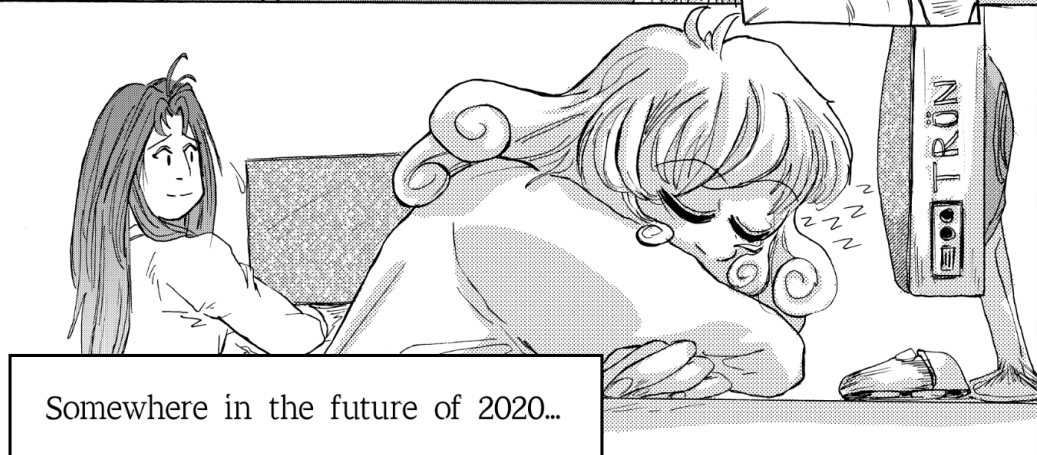

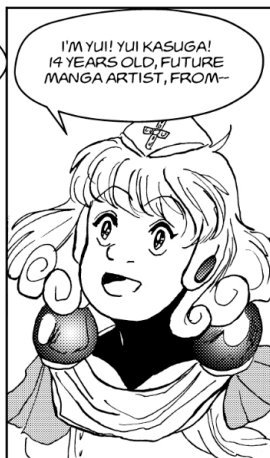

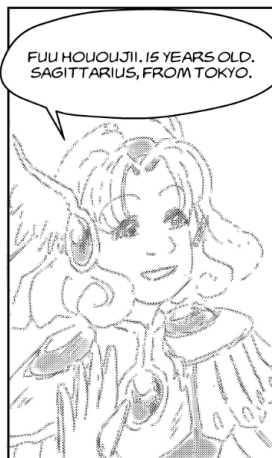

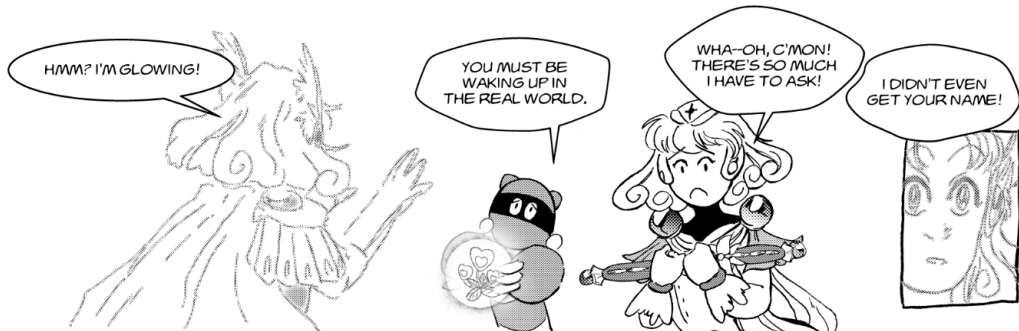

WOW!  
ANOTHER  
CORRECTOR?!

**Corrector  
Bomb Beam!**

This must be one of those games from that company, yes.
